All,

After careful consideration and visiting the many excellent audio showrooms available at both the 2006 CES and T.H.E. Show, I would like to congratulate each of you for putting on exemplary show demonstrations by declaring your rooms to be among the **"Top Ten Rooms at the 2006 CES/T.H.E. Show."** To me, this was one of the better shows in recent years and the influx of new products from overseas coupled with new designs from industry stalwarts, made the choices difficult but all of the listening sessions extremely enjoyable. Thank you for providing such wonderful products to music lovers everywhere.

Sincerely, Dave Thomas *The Stereo Times* Editor/Contributor 22507 Lawndale Avenue Richton Park, IL 60471
